I am available from 10-10:30 am, but I believe I am supposed to be getting on the TCEQ and Region 6 oil and gas call at 10:30 am. Could we do this issue early in the meeting?

I saw Rosemarie in the hallway and she said that the Monday OCE meeting with Larry was pretty packed. We have some room on our OC meeting with Larry at 10:00 am. So I am going to suggest that we do this at our meeting and invite OCE. Please let me know if that is an issue.

Folks,

We would like to include this as an agenda item at the OCE weekly with Larry/Patrick/Susan on Monday at 2pm rather than OC's meeting at 10AM (sorry for the back and forth on this). Marcia is in training and Ginny from our office will take the lead.

Please

include this issue on the agenda.

The Administrator's early guidance on this was moved to the 12/15 **Ex. 5 Deliberative Process (DP)** so we would like to postpone this briefing until 12/11 (OC's general with Larry/Susan/Patrick). Thanks.

Ed,

Just to clarify . . . Pat should substitute this attachment for the one I sent her yesterday?

I also assume you will send/have sent the email to Larry separately.

This is the current version of the Oil and Gas NPSPS rule for Larry. Both the e-mail and attachment.
